**Awarded:
Single Vineyard Trophy**

2008 Royal Melbourne Wine Show

Following on from the recent success at the NSW Wine Awards, Swinging Bridge has taken a top prize at The Royal Melbourne Wine Show, one of Australia's largest and most prestigious wine shows.

The annual awards are recognised by the wine producers as an important national competition in which to benchmark their produce.

Judged by internationally renowned wine judges, the Single Vineyard Trophy acknowledges wine makers who are producing handcrafted wines. This exciting class recognises wines which express the virtues of their site and show the vagaries of the vintage. They are wines that can test the winemaker's skills and are often the wines of small winemakers.
